Description

Ultrajet® 70 is an economical general-purpose air duster with a new BIGGER blast for electronic applications. Its exceptional purity jet instantly cleans surfaces free of particulate contamination. Ultrajet® 70 is engineered to remove dirt, dust, oxide particles and other airborne particles instantly, and can be used to facilitate the accelerated drying of solvent cleaners.

NOTE TO VISITORS FROM FREEBIE WEBSITE, E-MAIL OR POSTING:

A website that specializes in free offers and coupons included our duster product without our permission. We can't honor their offer, so we won't be sending out free duster. We only offer samples to industrial customers for evaluation.
