

Flux-Off Rosin

Plastic safe flux remover for cleaning all rosin and rosin-based no-clean flux

Rating: Not Rated Yet

[Ask a question about this product](#)

Description

The Flux-Off® Rosin formulation is a fast drying aerosol that quickly and completely removes R, RMA, RA, and synthetic flux residue. With its low surface tension and superior wetting properties, Flux-Off® Rosin removes harmful residues in tight tolerance areas.

Available with The BrushClean™ System - Gentle scrubbing action of a brush combined with high performance flux remover. [Click here for more information.](#)

Chemicals: Flux-Off Rosin
