Description

Electro-Wash QD Precision Cleaner is a plastic safe, nonflammable cleaner formulated for cleaning electronic components and assemblies, and minimizing production downtime. It contains no chlorinated compounds. This precision cleaner is fast drying and has good solvency for oil, handling soils, dirt, and light residues. QD is available with the all-Way Spray Valve, to spray in any direction, and with a BrushClean attachment for extra cleaning action. Electro-Wash® Delta Cleaner Degreaser is an extra strength, nonflammable electronics cleaner and degreaser. This high pressure aerosol cleaning agent quickly removes all contaminants – evaporating quickly without leaving residue.

Chemicals: Electro-Wash QD Degreaser

FEATURES & BENEFITS

- Removes dirt, carbon, oil, and oxide residues
- Contains no chlorinated solvents; non chlorinated
- Nonflammable
- Excellent material compatibility
- Displaces moisture
- Evaporates fast, minimizes down time
- Leaves no residues
- Enhances electrical signal
- Low toxicity
- Noncorrosive

APPLICATIONS

- Printed circuit boards
- Chip carriers
- Edge connector sockets
- Relays, contacts and circuit breakers
- Electrical motors, potentiometers, selector switches and solenoids
